

CO-OPERATIVE PLAN OF HANDLING GRAIN

Farm Bureau Federation Committee
To Study Marketing Systems Used
By Other Producers.

Washington, Sept. 15.—The American Farm Bureau federation announced today the personnel of the committee of seventeen appointed by President J. R. Howard to work out a plan for cooperative marketing of the American grain crop. Methods of co-operating grain elevators associations in the middle west and of the grain raisers of western Canada will be studied as well as the systems used in similar marketing enterprises by fruit growers and other producers, the federation said, estimating that it would require two years of preparation before a cooperative plan for the grain crop could be put in action.

The committee includes George Livingston, chief of the United States bureau of markets; Dr. H. J. Waters, of Kansas City; C. H. Gustafson, president Nebraska Farmers' union; William G. Echardt, Illinois State Farm bureau; C. V. Gregory, elected by the American Agricultural Editors' association; P. E. Powell, Missouri Farmers' Grain Dealers' association; John C. Boles, Kansas Equity union; Clifford Thorne, Chicago, council for shippers' organizations, Chicago; A. L. Middleton, Eagle Grove, Iowa, and Ralph Snyder, Kansas State Farm bureau.

"I deny," said President Howard, in announcing the committee, "that plan involving price fixing has been decided upon by the American Farm Bureau federation. We desire to evolve a marketing system which will eliminate useless handling costs, unnecessary selling expenses, ruinous price fluctuation and to so co-ordinate supply and demand as to insure that the producer receives the cost of production plus a reasonable profit and that the con-

JUNIOR POULTRY ASSOCIATION FOR MONETT

Boys and Girls of Town and Country Under Sixteen Will Have Organization of their Own.

The executive committee of the Monett Pet Stock and Poultry Association held a meeting at the city hall Friday in which they decided to organize a junior pet stock and poultry association. The boys and girls of country and town under sixteen years of age are invited to join the association and to enter their birds and pets in the fall show.

There are a number of young people who are already members of the senior association. The dues for the junior association will be 50 cents a year. Special prizes and premiums will be offered them. At a meeting to be held within a few days the plans will be perfected and a membership campaign will be started.

At this meeting it was decided to hold a "score card" show this fall instead of the comparison show which was taken under advisement. Thus the show will be conducted on the same lines as in former years. Judge Branch will judge the birds.

The show is to be held November 30, December 1, 2, and 3.

SOUTHWEST ATHLETIC LEAGUE ORGANIZED

Representatives of High Schools Organize to Better Conditions and Perfect Athletic Contests.

Allen C. Foster, athletic director of the Springfield High school, was elected president of the Southwest Missouri Inter-High School Athletic league, which was organized at a meeting of representatives from various high schools in this section of the state here Saturday. W. C. Walker of Carthage High school was elected vice-president and F. E. Engleman, principal of the Monett High school, was elected secretary-treasurer.

A protest committee, for taking care of all disagreements between the high schools in the league, was appointed, composed of the following men: C. F. Daugherty of Nevada; J. F. Taylor of Mount Vernon, and L. R. Post, of Neosho.

The meeting was the result of concerted action of principals of Southwest Missouri high schools in trying to better conditions between the high schools, to perfect the athletic contests and to stage all athletic contests between the high schools under more uniform rules. Representatives from the following high schools were present: Monett, Mount Vernon, Aurora, Nevada, Springfield and Peirce City. Other high schools Lamar, Joplin, Wheaton and Carthage were not represented but letters were received from officials of these schools saying they were back of the movement and would endorse any action taken.

A constitution and by-laws were drawn up and adopted. The principal feature of the constitution was the adoption of an article designating eligibility of students participating in the contests. Students must be under 21 years of age, must be passing in at least three units of high school work; must not play more than four years with any high school if suspended or expelled for a week he will be ineligible for the rest of the season. No post-graduate will be allowed to take part in the contests.

The new organization does not in any way interfere with the track and field meet or basketball tournament held in Springfield each year under the auspices of Drury college and the State Teachers college. The football championship will be decided in the team play during the season and the basketball championship and winners of the track and field events will be decided each spring as before.

NASH CAR DEMONSTRATION AND PARADE

A Nash car demonstration and parade, was held in Monett Saturday afternoon at four o'clock, and the parade, headed by Lee's Concert band, paraded the business section of the city. The demonstration was under the direction of Fred Bauersfeldt, of Springfield, ex-general manager of the Rubber Tire & Supply company.

Mr. Bauersfeldt was first in the parade with a Nickel Disc sport wheel model, and Martin Bierman, of Freistatt, M. E. Gillion, Wm. Meagher, were in sedans, Judge G. W. Finn, Mr. Salazar, of the Broadway Hotel, Leroy Goodman, and M. C. Shipley, drove touring cars, Mr. Shockey, general manager of the Rubber Tire & Supply company, drove a beautiful sport wheel demonstrator, Mr. Davis, salesman for the company also drove a sport wheel Nash, and Chas. Ross of Purdy, drove a coupe.

The cars were beautiful and the parade was witnessed by a large crowd.

Certain-teed Roofing Costs Less to Lay

You will appreciate the low cost and convenience of laying Certain-teed Roofing.

Skilled labor is not required to lay it properly.

You save much of the expense of hiring trained workmen and avoid delays because of a scarcity of such men.

But this is only one of the Certain-teed economies. It also costs less to buy and less to maintain than any other type of good roofing.

In addition, Certain-teed roofing is weather-proof, fire-retarding and spark-proof. It is guaranteed for five, ten or fifteen years, according to weight. Experience proves that it usually outlasts its guarantee by years of satisfactory service.

See your dealer about Certain-teed Roofing. If he can't fill your entire order from stock, he can get what you want quickly from a nearby Certain-teed distributing center.
